

ECON484 Spring 2026
Midterm Exam 04.05.2026

EXAM ATTENDANCE & HONOR PLEDGE

By attending this exam, I affirm that all work I submit represents my own understanding and honest effort. I acknowledge that this is a two part exam where **only in part 2 open-book exam rules apply, and that the use of AI tools is permitted and encouraged in part 2 to support my learning.**

However, I also recognize that misconduct is still possible—including sharing answers with others, receiving unauthorized help, or submitting work that does not reflect my own reasoning.

I pledge that:

- I will not communicate exam content to anyone during or after the exam (ie. no messaging apps).
- I will not receive or provide unauthorized assistance.
- Any AI-generated content I use will be integrated and evaluated by me, not blindly copied (using AI to explain concepts vs. generating full answers without understanding).
- I will uphold the standards of academic honesty expected in this course and at this university.

I understand that violating this pledge compromises both my integrity and the integrity of the examination.
